Mont La Salle Altar Wines

The Rich Heritage of Mont La Salle Altar Wines Since 1882

The Christian Brothers began their altar wine production in Martinez, California in 1882 when their Order was first established in California, thus ensuring a long-standing history in the California wine industry. In 1932, the Brothers established a new home and relocated to the Napa Valley. It was at Mont La Salle, located in the mountains high above the Napa Valley floor that their commercial and sacramental wine production continued.

In 1989, The Christian Brothers decided to divest themselves from the wine business and sold their winery and vineyards to Heublein, Inc. In turn, four former Christian Brothers' winery executives purchased the Mont La Salle Altar Wine brand. The new company formed is now known as Napa Valley Specialty Wines, Inc.
